

PE and Sports Premium- where our money is spent 2014-2015

Raising Achievement in weekly PE lessons

Staff training in a range of activities such as indoor gymnastics and dance, outdoor team and individual sports to enable staff to be confident in the delivery of high quality lessons.

Staff training will also include safety and rescue procedures needed for teaching swimming. (Approx £500-£1000)

Increasing participation in competitive school sport

The school has many talented individuals and developing teams. Entry fees for competitions and hire of facilities for events such as hockey tournaments, basketball tournaments, swimming galas and biathlon are being paid for using the sport funding. (Approx £500-£1000)

Developing community links through sport

Local sports clubs for hockey, tennis, cricket will work along side teaching staff to deliver high quality lessons, develop staff skills and raise awareness and attendance at local sports clubs.

Funding is being used, in partnership with other local primary schools, to employ an SSCO who will help us to continue staff professional development and organise sports fixtures and tournaments. (Approx £1000-£2000)

Develop cross curricular aspects of sport.

Sports funding will be used to extend the use of the schools existing outdoor environment. Staff will be offered training and resources to allow them to confidently use the schools orienteering courses to develop not only physical fitness and well being but also the ideas of team work, map reading and personal challenge. (Approx £1000)

New opportunities

As a school we are offering children the opportunity to participate in an increasing number of sports. Money will continue to be spent on the development of Biathlon and triathlon as well as basketball, cricket, through the purchase of required equipment, training, entry fees and travel to events and competitions.

Parkour (free running) will also be investigated as a new initiative to engage all section of the school in using the outdoor environment as an aid to physical well being and learning. (approx £500-£1000)

Enhancing personal well-being and health

Sports funding will be use to ensure that every child has the opportunity to attend off site residential trips and benefit from physical challenges that will develop their social and emotional well being. (Approx £5000)

Future

We will continue to develop our community links by investigating other opportunities for before and after school clubs led by experienced and qualified coaches.

We will continue to invest in high quality staff training.

Impact so far.....

The children are enjoying the updated orienteering courses and engagement in outdoor PE and Games has improved as a result.

The profile of hockey as a sport within school has been raised and as a result standards of play have also improved. Children have been invited to an increasing number of hockey events outside of the school environment.
