

SHERBORNE PRIMARY SCHOOL ACCESSIBILITY PLAN 2012-2016 : Improving the Physical Access

This plan is structured in conjunction with the school's Asset Management Plan, the school Safeguarding file, the School Travel Plan, Health & Safety Audits, the Capital Build Programme and the Suitability Plan. The plan considers the essential work necessary to ensure reasonable adjustments have been made to the fabric of the building to accommodate accessibility issues. As far as possible, work has been undertaken on temporary buildings to facilitate accessibility arrangements. In some cases Health & Safety issues necessitate more prompt action.
